**OCTOBER 3,**

1970

**104 HEAD**

**23 BULLS — 41 FEMALES**

**40 CLUB STEERS**

*There is a reason why this sale has become known as "The Sale of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.*

# INFORMATION

## SHOW TIME

The show will begin at 8:30 a.m., C.D.T.

## SALE TIME

The sale will get underway at 12:00 noon, beginning with club steers and heifers.

## LOCATION

The sale will be held at the Southern Iowa Fairgrounds, northwest corner of Oskaloosa, close to primary roads 92 and 163.

## TERMS

The terms of this sale are cash unless other arrangements have been made in advance with the owners and the sale manager notified. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

## GUARANTEE

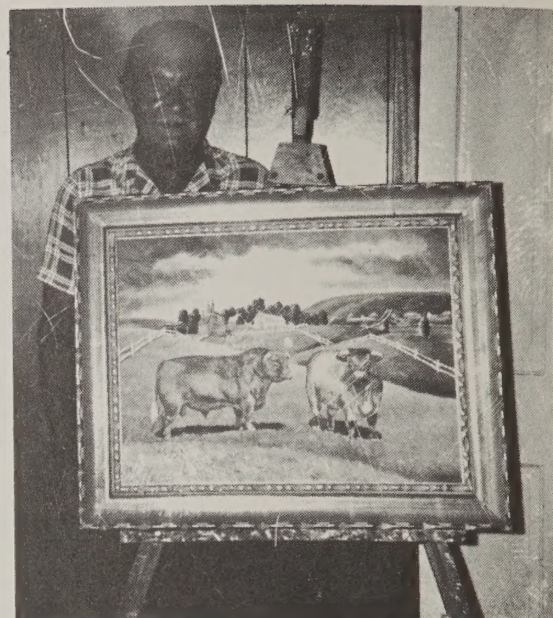

All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Ass'n.

## LIABILITY

Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

## A SHORTHORN PAINTING SELLS

As has been the custom at these semi-annual sales, Harry Gohner, artist and Shorthorn breeder from Lacona, will auction an original Shorthorn painting already beautifully framed. This picture shows a painting that sold last fall. These are highly valuable works and would be an attractive addition to any home.

## FOOTNOTES

Where footnotes appear, they have been furnished by the consignors. Announcements from the auction block take precedence over data in this catalog.

## HEADQUARTERS

Traveler Motel, 11 blocks east of business center on Hwys 92 and 63.

## AUCTIONEER

Tom Sherlock, Oxford, Iowa

## REGISTRATION CERTIFICATE

A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

## HEALTH

All cattle are sold subject to a 60-day retest for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an Accredited herd. The cattle have been tested for Bang's within 30 days, or have been calfhood vaccinated, unless otherwise stated.

## LUNCH

Lunch will be served on the grounds by the ladies of the Central Reform Church.

## SALE MANAGER

A.S.A. Sale Management, Bill Stunkel, 8288 Hascall St., Omaha, Nebr. 68124.

## FIELDMEN

Gene McDonald, The Shorthorn World  
Arch Stone, Wallace's Farmer  
Gene Fitzgerald, The Drovers Journal  
Wayne Farnum, Victoria, Iowa

**W L ARMOUR**—His dam is sired by a top selling bull in a recent Louada Sale. Not in high flesh but ready to go to work the day you get him home.

This Penningroth bull was reserve champion at a recent Oskaloosa Sale. Lot 23 is of the same quality.

# THE ANDERSON CONSIGNMENT

For a number of years, Bill Anderson has made it a policy to make a herd-reduction consignment to one of the area's district Shorthorn sales. The past several falls these cattle have been offered at Oskaloosa. These are always some of Bill's best and he feels this is his strongest offering to date. The next 17 females are all consigned by Anderson. They should

make ideal foundations, or replacements, for the quality-minded buyer.

If you are interested in adding some top females to your herd, we suggest you attend this sale and look over the cattle consigned by Anderson and the many other reputable herds represented.

## A "GROWTH" STOCK

Shorthorn and Polled Shorthorn cows are a growth stock. In financing parlance this means a sound investment that is assured of increasing in value.

The future of all beef cattle looks bright. The growing population in America and a growing per capita beef consumption makes investment in cow-calf programs mighty attractive.

The Shorthorn-Polled Shorthorn future looks especially bright. That is because the breed has more to offer the beef world than any other breed.

There are breeds more highly glamourized . . . there are breeds with more inflated values but no breed is more universally recognized for its improvement ability than the Red, White and Roan. Nearly every large, exotic breed in the world owes much of its parentage to Shorthorns. If you really think about that fact alone, you should have a greater appreciation for Shorthorns.

No breed has more genetic purity than Shorthorns. The breed has no problem with dwarfism, cancer eye, prolapses, sunburned udders. No beef breed is so enriched with milking ability, with docility, with gaining ability.

There has been talk about Shorthorn lack of carcass quality. However, at the 1969 New York and Indiana State Fairs, Shorthorn carcasses were winners on the rail. In a Penn State University taste test, women scored Shorthorns the highest for tenderness, flavor and juiciness followed, in order, by Polled Herefords, Angus, crossbreds, Charolais and Holsteins.

We could go on and on about Shorthorn superiority and their higher profit potential. If you own Shorthorns, you know their dependable productive ability. If you don't own Shorthorns, it is high time you did. The females offered in this sale can do much to cement your faith in our breed.

The last four females selling in my consignment will all have cross-bred calves sired by the top-selling Galloway pen bull in Denver this year. These calves will be polled. We have always wanted to crossbreed a few cattle and know, from seeing the Shorthorn-Galloway cross in Scotland, that it is a great cross.

All visitors that have seen this Galloway bull say, "too bad he isn't red". The Galloway Ass'n has adopted a F-I program so these calves, if the buyer wishes, can be recorded in that program. Remember that

1. ability to reproduce
2. structural soundness
3. mothering ability in the female
4. carcass quality
5. fertility of the bull...

are the five most important traits in a cow-calf program. These crossbred calves will qualify in all five. These four females will be among the better females offered.

**P F DOROTHY LEA**—As nice a heifer as we ever offered at a Central States Sale. Sired by a son of the Iowa State Fair champion, P F Nugget.

**B. E. Van Sickle and Son, Hurdland, Mo., are bringing three polled cows with calves at side to this sale. These are not in the catalog but will be valuable additions to this sale.**

## CLUB HEIFERS

The Central States Sale is always proud of the club heifers offered. While we do not have as many cataloged as usual, this will be a fine offering. Remember, too, several 1970 heifer calves will sell separately from their dams in the Anderson consignment.
